

Autumn Oral Health Tip

- Watch the hot drinks — tea, coffee and hot chocolate can stain your teeth over time. Try rinsing with water afterwards!
- Halloween treats — enjoy them in one go rather than grazing throughout the day, as this gives your teeth time to recover
- Dry air & heating — central heating can cause a dry mouth, which increases the risk of tooth decay. Stay hydrated!
- Book your hygiene visit — autumn is a great time to get a fresh clean before the festive season kicks in

Introducing Sheryl Hygienist

Sheryl joined Smile With Us in August 2025 and sees patients on Mondays and Wednesdays. Before moving to the UK, she worked as a dentist in the Philippines for 10 years and is now a registered Dental Hygienist and Therapist. Sheryl is passionate about gentle, patient-centred care and helping patients achieve healthy, confident smiles. Outside of work, she loves spending time with her family, baking and trying new sweet treats – a hygienist with a “sweet tooth”!

Our New Surgeries Are Here!

Amit B's

Amit K's

We are absolutely thrilled to announce that our surgery refurbishments are now complete — and we couldn't be more excited to share them with you! Both Amit B's and Amit K's surgeries have had a stunning makeover and are looking better than ever. We truly can't wait for you to see them!

Before anything else, we wanted to say a massive thank you to each and every one of you for your patience and understanding throughout this process. We know there has been some noise and disruption along the way, and your support has meant the absolute world to us and our whole team.

We hope you love the new spaces as much as we do — we can't wait to welcome you in!

We're Accepting New Patients

If you know someone who's looking for a new dentist, whether it's for regular check-ups, dental work or just a fresh start, we're happily accepting new patients and referrals.
